

The Tehillim Squad is group of women that were organized in the 80s and recite tehillim daily on behalf of our community's cholim.

To add a name to the list, please email it to arahaizman@hotmail.com. If you do not receive a confirmation, please call or text Aarah to make sure the email went through. Allow 24 hours. Names are kept on for two weeks unless notified otherwise. If you are uncertain if a person should be placed/remain on the list, please consult your Rabbi.

Policy: for people outside the realm of the TC Jewish community, we hope that they have their own community that has a tehillim effort. If not, our community is happy to take them under our wing and care for them in this special way. The list is kept limited in this way to help ensure that the full list of names is well cared for and recited.

Please consult Rabbi if you are uncertain about adding a name. On behalf of those who are recovering and need your prayers, thank you!
